The aim of the association is to provide a program of fun racing on Tampa Bay for sailboats of different types: offshore boats which are self-righting with self-draining cockpits and overall lengths of twenty feet and over, rated by the West Florida Performance Handicap Racing Fleet (WFPHRF) or a special SPSA rating and various one design classes. Races are sailed under the current I.Y.R.U. rules and prescriptions of the U.S.S.A. with certain exceptions and amendments that are set forth in the sailing instructions. Race results are posted to the SPSA website. Non-boat owners are welcome as members. Upon acceptance of your application, a membership book will be mailed to you. The book contains our standard sailing instructions, the SPSA schedule of races, course descriptions, and a directory of members.

This completed membership application with your dues payment, and for boat owners, a copy of your current WFPHRF certificate (if applicable), must be received by the secretary at the above address no later than the Wednesday prior to your first race in which you intend to participate.
